SUMMER SCHOOL/NIGHT SCHOOL

The Haverhill School Committee authorizes the Administration to offer a summer school program on ground deemed expedient by the Administration. The summer school program should be arranged primarily to benefit those students of the Haverhill School District in meeting the District's learning standards.

At the discretion of the Administration, students from other schools in the District may be accepted into the summer school program on a tuition basis.

Likewise, the Administration is authorized to develop and offer a night school curriculum for the benefit of the community at large. Regarding finances, the operation of the night school shall be self-sufficient, supported by the revenue it derives.
