

Haverhill School Committee
Policy JHB

TRUANCY

Students who absent themselves from classes or other assigned attendance areas without permission are truant and will be disciplined accordingly.

Principals or their designees who have reason to believe that a child has been truant, should notify the parents/guardians and the Supervisor of Attendance in a timely manner. Similarly, if a student leaves school grounds without permission during the regular school day, the parents/guardians and the Supervisor of Attendance will be informed immediately.
